- Secure User Sessions 24/7

Web Station™ *Endure-T*

Web Station™ *Classic*

SPECIFICATIONS

Web Station™ *Endure-T*

INDUSTRIAL DESIGN

Designed by Embedded Wireless Labs for Streetspace Inc.

DISPLAY

Display Size : 15" TFT LCD, Flat panel
 LCD Resolution : 1024 x 768 resolution
 Display Type : LVDS / Resistive Touch Screen

DIMENSIONS

• Weight : 30 kg
 • Depth : 515 mm
 • Width : 440 mm
 • Height : 1235 mm

SYSTEM

CPU : Intel processor
 Memory : 1GB RAM
 Storage : Hard Disk
 Operating System : Windows XP Embedded
 Application : Spacenet
 Browser : Mozilla Firefox

PHYSICAL DESIGN

Enclosure : Steel with Powder Coating, Steel Floor Mounting
 Electronic Design : Industrial Grade Electronic Components
 Keyboard : Steel Spill resistant Keyboard with Touchpad

NETWORK INTERFACE

Ethernet : Onboard 10/100 Base-T RJ-45

POWER

Power Supply Voltage : 100-240 VAC 50-56 Hz

KEY FEATURES:

Customised Browser

- Enhanced security

Monitor Usage

- Analytics to monitor user stats

Measure Results

- Measure traffic and transactions across network

Remote Manager

- Manage and install configuration remotely

Supports Multiple Interfaces

- WiFi, Ethernet, 3G, GPRS, EDGE

Ad Server Platform

- Location based advertising

Steel Keyboard

- Durable and spill resistant

Secure Sessions

- Clears cache after sessions

Web Station™ *Classic*

INDUSTRIAL DESIGN

IDEO (US)
 Awards - Industrial Designers Society of America (ISDA)

DISPLAY

Display Size : 10.4" SVGA TFT LCD, Flat panel
 LCD Resolution : 800 x 600 resolution
 Display Type : LVDS / Touch Screen option

DIMENSIONS

• Weight : 30 kg
 • Depth : 504mm
 • Width : 373mm
 • Height : 1215mm

SYSTEM

CPU : Intel processor
 Memory : 512MB RAM
 Solid State Device : 2GB Compact Flash
 Operating System : Windows XP Embedded
 Watchdog : Automatic Reboot
 Application : Spacenet
 Browser : Mozilla Firefox

PHYSICAL DESIGN

Enclosure : Aluminium Cast Shell with Powder Coating, Steel Floor Mounting
 Electronic Design : Industrial Grade Electronic Components
 Keyboard : Steel Spill resistant Keyboard
 Pointing Device : Touchpad

NETWORK INTERFACE

Ethernet : Onboard 10/100 Base-T RJ-45

POWER

Power Supply Voltage : 100-240 VAC 50-56 Hz

OPTIONAL FEATURES:

StreetPartner™ Network Manager

Achieve business objectives by measuring traffic, usage statistics and performance of units from central location.
